## Fotec FOTECHEM 2034 Abrader/Degreaser

FOTECHEM 2034 is a ready-to-use abrader, mesh prep and degreaser. It is recommended for use on new screens in order to improve stencil adhesion. It is recommended for use with both direct emulsion and capillary film. FOTECHEM 2034 is particularly recommended to improve exposure latitude and adhesion of photopolymer stencils.

### FEATURES

- Rinses easily
- Contains micro girt
- Use on synthetic mesh to improve tape test adhesion
