# RhinoTech RhinoClean™ Ink Removal System

The Ink Removal System is designed for fast, safe, and efficient removal of virtually all types of screen printing inks.

The system is engineered for use with biodegradable solvents and therefore eliminates disposal costs, fire hazards, and reduces excess exposure to solvents for employees.

## FEATURES

- Polypropylene construction
- Chemical-resistant construction
- Fixed spray heads
- Rotating spray heads
- Two-sided cleaning
- Full spray coverage
- Grid filter
- Canister filter
- Explosion-proof pump
- Cleaning cycle timer
- Top-loading design
- Cleans one frame at a time (up to 25 x 36 in)
